

Introducing Top Compact

The small yet sustainable office hero.

- Neat and compact – not much bigger than an A4 page
- Low energy consumption
- Cooling capacity (15 l/h)
- Choice of three refreshing water types: unchilled and chilled still, and sparkling

Top Compact

The small yet sustainable office hero.

Cooling capacity tailored to **lower consumption needs**

BRITA CLARITY Protect filter preserves minerals in water while removing unwanted substances

Pre-programmable **portion control** and water temperature

Our water dispensers produce 86% less CO₂ emissions than pre-bottled water and 64% less than bottled water dispensers

ThermalGate™ powerful thermal-disinfection feature

Convenient touch **dispensing buttons** for easy handling

Leakage detection system as standard

Focus on sustainability: natural refrigerant and extremely low power consumption
